New York, N.Y. 10007-1866

RE: Preliminary Conceptual Site Model (PCSM) for Operable Unit 4 (OU4)  
Dated May 2006

Dear Mr. Mannino:

NJDEP has reviewed the Preliminary Conceptual Site Model (PCSM) for Operable Unit 4 (OU4) prepared by Tetra Tech EC Inc (TtEC) and finds it acceptable. The document is general in nature (non-technical) in that it identifies data needs (see Table 8-1) but does not go into specifics. It is presumed that this type of information is forthcoming in a Remedial Investigation Workplan.

If you have any questions concerning the above please contact me at (609) 633-3618.

Sincerely,

Mary Lou Parra  
Site Manager
